## I.O.O.F. HOLD SOCIAL EVENING AND PARADE

In commemoration of the 101st anniversary of the local lodge of Oddfellows held a very successful social evening on Thursday when they were hosts to the members of the Redoubt lodge.

Bro. Davidson made an efficient chairman, and Bro. M. Boyer's moving picture machine proved an added attraction.

Bro. J. Milten, P.G.D.G.M., gave a short address, citing facts of interest to the members of the order, as also did Bros. G. L. Hudson, Dr. Wallace, and H. W. Molander.

Musical items interspersed the proceedings, and Conjuror Bro. Forrest mystified for a while with a few tricks, the proceedings closing after a dainty lunch had been served up by the brothers.

On Sunday evening the members took part in the annual church parade, marching from the hall to the Methodist church, where an eloquent discourse was delivered by Rev. Bro. N. Priestley, special musical features being an added attraction of the service.

## GRACE SUNDAY SCHOOL GANTATA

Grace Methodist Sunday School anticipates a full house in the Elite Theatre on Thursday May 20th, 8.15 p.m. when "Father Time and his Family" will delight their audience in song and speech. Much merriment will be caused by the Individual Days, little busybodies who complain about their work and yet get joy out of it. The climax is reached when the Days, under the influence of Hope, Patience, Duty and Love, refuse to accompany the Thief of Time to his uncertain pleasure grounds.

PROF. W. F. OSBORNE at Chautauqua.

## CASH PRIZES FOR OUR BOYS AND GIRLS TOO

Cash prizes will again be offered by the Canadian Bankers' Association in co-operation with the Dominion Department of Agriculture to boys and girls who feed and exhibit pigs and calves at the local summer and fall fairs. Those eligible to compete for these prizes will do well to get in touch with the local bank managers at the earliest possible moment. No time should be lost in finding out all about these Competitions. The importance of quick action is apparent, when it is understood that the calves and pigs must be fed by the competitors for a period of at least six weeks before being exhibited. Full information and assistance will be cheerfully given by the bank managers in town.

The U.F.W.A. will hold a sale of home cooking and serve afternoon tea in the Old Small Bros' store on Saturday, May 29th at 3 p.m. 26c

Achie Crawford is in town from Toronto on a visit to his farm in the Greenhills district.

The Ladies' Aid of the Presbyterian church propose holding a sale of home cooking on the first and last Saturdays of June, to wipe off certain of their church debts. 12c

## CHANGE IN SUBSCRIPTION RATE

We beg to announce that on and after June 1st, 1920, the subscription rate of The Star will be Two Dollars.

There is no apology needed as many of our subscribers have been long looking for this advance. The prices of paper and everything that goes into the production of a newspaper have been going up in leaps and bounds and this small advance is long overdue.

Who ever heard of the seller apologizing for asking \$35.00 for hay that once sold at \$5.00; \$2.50 for wheat that once sold for 50c; 70c. for a pound of butter which was once obtainable at 20c; or \$50.00 for a suit of clothes that formerly sold for \$15.00; and so on?

At the rate that paper has been advancing since the first of this year (it formerly was profitable at 3 1/2 cents per lb, while today it costs 94 cents per lb) all the newspapers will likely be compelled to make another advance in a few months. All those whose subscriptions are expiring this month may renew at the old rate if sent in before the end of the month. Others whose subscriptions expire at a later date may have their subscription extended for one year at the old rate by remitting NOW. If you intend to subscribe DO IT NOW.

**THE PUBLISHER, WAINWRIGHT STAR.**  
Sir: Please send me The Wainwright Star for one year, or extend my subscription one year from expiry date. I enclose \$1.50 in payment. (Rate to United States is \$2.00).

## BIG INCREASE IN PRICE OF NEWSPRINT

The Fort Frances Pulp and Paper Co., has notified its Canadian customers that following the supreme court decision in the Price Bros. case the price of newsprint for Manitoba Saskatchewan and Alberta papers will increase to six cents a pound or fifty per cent, or from \$80 per ton to \$120 per ton F.O.B. mill. Even at this price the Fort Frances Company states it is not anxious to do business. This increase in the price of newsprints will, it is estimated entail an additional expenditure in the production of weekly newspapers in this province amounting to approximately \$610,000. per annum.

## LOCAL NOTES

Call at The Star office and get your car licence. It's cheaper than being fined!

Bank Manager Rowe and wife were visitors to Toftield over the week end.

Ryan Millar of the Merchant's bank staff, is leaving to-night for Forestburg, Alta. to which branch he has been transferred.

The team of A. G. Wheaton caused somewhat of a dilemma one day last week when, while left unattended, they deliberately walked into the big slough and attempted a roll in the 3 feet of water therein. The owner had to eventually do an "Annette Kellerman stunt" to rescue the milk wagon and its contents.

## OBITUARY

Mrs. Tom Wilkinson of Heath, Alta. (Nee Elizabeth Stevens of Hints, Staffs, England) on May 2nd, was born Sept 22nd. Married Tom Wilkinson in the year of 1883. Those left to mourn their loss are her husband and two children, Mrs. H. Sveanick and T. Wilkinson Jr. both of Heath, Alta. also two sisters and one brother.

Mr. and Mrs. Wilkinson and their two children came out to United States in 1895 settling in Chicago Ill. then in 1900 they moved onto a farm in Wisconsin and were there until 1911 when they moved to Heath, Alta., and took a homestead where they have permanently resided.

Mrs. Wilkinson always made friends where ever she lived and always delighted to do a small service to others.

The funeral service was held at her residence at Clear Lake on Wednesday May 5th, the Rev. H. Wilson, Vicar of St. Thomas Church, Wainwright, officiating. The hymns "Safe in the Arms of Jesus" and "Hush, Blessed are the Dead," were sung by all present, with Mrs. Boucher at the organ.

The funeral cortege then proceeded to the cemetery at Edgerton and after the closing rites of the Burial Service were read by the Vicar, the assembled sympathisers led by Mr. Bert Ford, sang the hymn "Jesus, Lover of my Soul."

This closed the Earthly life of one loved and esteemed by all who came beneath her influence.

The Pall-bearers were Messrs G. A. Hunt, E. B. MacLeod, Ford, Bert Ford, P. L. Boucher and E. L. Davis.

The funeral arrangements were carried out by the MacLeod Co., of Edgerton, Alta.

**CARD OF THANKS**  
Mr. Tom Wilkinson, senr., of Clear Lake, desires to return his most grateful thanks to all those who expressed their sympathy to him and his family in their recent affliction. 12-5p

## BIG NEW HOTEL TO BE BUILT FIRST AND MAIN

The contract is now let and the actual work commenced on the new hotel which Mr. Q. Hall, who has recently returned from Victoria, B.C., is having erected on his property at the corner of First Avenue and Main street—right opposite to the depot.

The structure has been fully planned so as to take care of another story when found necessary, but for the present it will consist of two floors, each 24 feet by 68 feet, with a large addition at the back of the bottom story.

The lower portion of the premises, which will be full plate-glass fronted on both the south and west fronts will be lost out as office, dining-room and kitchen etc., while the upper floor will be divided into twenty sleeping apartments: the whole building being fully modern with running water, bath and toilet conveniences. The basement is being dug this week and a good well has already been drilled.

Laird and Co. of town, are the contractors and expect to get to the finishing touch by midsummer.

Mrs. Wm. Ketchin, who has visiting her mother in town for the past week, returned to home on Tuesday.

Mrs. Lou Wallace and children were visitors from Heath last week.

## LOOKING AFTER THE IRISH APPLE CROP PROSPECTS

According to W.T. Macoun the potato is one of our most important food crops, and yet it is one that very often does not receive the attention it should. It is the practice of many farmers to leave the planting of potatoes until practically all other crops are in. With the exception of, perhaps, some parts of the Maritime Provinces this late planting means a much smaller yield than there would be if the planting were done before the middle or by the middle of May.

By the end of May or beginning of June the seed potatoes which have sprouted so much that when these are broken off at planting time the new growth will not come on with the same vigour as they did early in the season. Furthermore it is important for the potato to get a good root system before the hot weather sets in.

It is of the greatest importance to use good seed. Two lots of seed of the same variety which look very much alike may give a difference of three hundred or more bushels per acre in the crop.

If possible one should know where the seed was grown the previous year that he is about to use. If it came from a crop that did not come on with the same vigour as they did early in the season. Furthermore it is important for the potato to get a good root system before the hot weather sets in.

The Pall-bearers were Messrs G. A. Hunt, E. B. MacLeod, Ford, Bert Ford, P. L. Boucher and E. L. Davis. The funeral arrangements were carried out by the MacLeod Co., of Edgerton, Alta. —Contributed.

## WAINWRIGHT GETS CHAUTAUQUA ON MAY 28' 29, 31

The three-day Chautauqua will be here in Wainwright on Friday, Saturday and Monday, May 28th, 29th, and 31st.

Miss Smiley, representing the Chautauqua people, was in town this week for the purpose of arranging for the big event, outlining an advertising campaign, appointing ticket committee, grounds committee, and giving instructions to those who are behind the movement and are responsible for its appearance here.

The season this year is very unfavorable, and it will require the combined efforts of the entire list of guarantors to make the event all that it should be, but considering the fact that this season's Chautauqua entertainment features far outdistance all previous courses, and the further fact that the prices of season tickets has been reduced to the very low figure of \$2.00 for \$5.25 worth of events covering three afternoons and three evenings there should be no difficulty in disposing of the season tickets.

Single admissions to the afternoon concerts are 75c and to the evening performances \$1.00. This would make a total of \$5.25 if single admissions were purchased to all the events.

At noon on the opening day the price of the season tickets goes up to \$2.50, so it will pay you to purchase your season ticket in plenty of time.

## MOTHER'S DAY SERVICES AT LOCAL CHURCHES

A beautiful service in honor of "Mother" was held in St. Andrews Church last Sunday. For the occasion the scholars of the Sunday School occupied the choir seats, the little tots in front in their new red chairs. Each child wore a red button bearing a white carnation, and the church was tastefully decorated with pot plants—thanks to the kindness of Mrs. Bowen, Mrs. Middleton, Mrs. Kenny and Miss Turner.

Practically the whole musical part of the service was rendered by the children's choir under the leadership of Misses Turner and McFarland. In addition to a thoughtful address by Mr. Thompson on "Mother as a Guide to God," special numbers were interspersed throughout the service as follows: Recitations by Elizabeth Watson, Vera Stewart, Jack Fowler, Allan Spence and Nan Watson; Duet by Misses Helen Aykroyd and Dorothy Primrose. Mrs. Fowler officiated at the organ.

The large and appreciative congregation loyally responded to the Rev. J. B. Thompson's appeal for funds to furnish a special primary room for the Sunday school, and as a result it is hoped to have this room in operation next Sunday.

The congregation and the Sunday school of Grace Methodist Church united in the observance of Mothers' Day. The music consisted of "My Mother's Prayer," rendered by Miss Parsons, "Memories of Mother," by the girls' choir, and "Dropping Pennies," sung by the Primary class during the offering. The Rev. N. F. Priestley and Messrs E. N. Erickson and T. Aikin briefly paid a tribute to the mothers of all times and incited their hearers to a greater respect for the mothers of today.

Gould—That Mr. Snyder be instructed to purchase a gopher poison to supply all ratepayers packet per quarter section.—Carried

Foster—That F. Skinner be appointed poundkeeper in Division 4.—Carried

Gould—That question re surplus of 15-42-4 be tabled.—Carried

McPherson—That secretary write Dominion Land Agent for advice re all vacant land in M.D. of Vale, No. 392, as to whether it is public grazing ground, or if it is liable to be taken up.—Carried

Jackson—That the Council adjourn.—Carried

## LET'S ALL HELP TO CLEAN UP

Within the next few days comes the opportunity to inaugurate the annual clean-up of our town and in order to facilitate matters the Town Council is herewith making an appeal to the citizens to co-operate in doing this necessary work. It may be taken for granted that every citizen prefers to have his premises neat and tidy rather than unkempt and unclean and to that end the council requests co-operation which not only lightens the work for the individual but makes it more economical for the town by saving time of men and teams.

This co-operation may, in the first place, take the form of collecting all old tin cans and similar rubbish and placing them in the lanes, preferably in boxes, where the scavenger can get hold of them easily for removal. The entire accumulation of debris should be cleared up at the same time. People who keep cows or horses are expected to remove the manure heaps as soon as it is practicable to do so; from such manure heaps come our multitudes of flies in the summer.

It is the intention of the Council that the scavenger will commence on this right away, and this means citizens have to take prompt measures to clean up so as to be ready for removing the rubbish at any moment.

The location of the Town of Wainwright was never set apart by Nature as a beauty spot; hence its appearance and upkeep necessarily depends upon the citizens. A united effort to make the Town clean and keep it clean will work wonders.

WEDNESDAY, May 12th, 1920

PROVINCIAL  
HIGHWAYS  
WANTED

While there may have been a former season when the roads and trails of Alberta were in as poor condition as they are at present, it is safe to say that never before has the inconvenience of bad roadways been as generally or severely felt. Not only is there greater general use of our highways today than ever before in the history of the country, but during the past winter and now the demands upon these avenues of communication are heavier than usual.

A farmer living not more than ten miles from town on a road supposed to be improved, recently found it necessary, in order to save his stock, to come to the city for hay. He harnessed four teams to his wagon in the early morning. By midnight of the same day he succeeded in reaching home again with his load. He figures that this hay cost him considerably over \$100 a ton, charging as a teamster would in his horses and time. That is only a sample case. There are hundreds such, all due to the impassable condition of country roads.

And why are country roads in this horrible state? Of course the weather has something to do with it, but not all by any means. The provincial body is primarily to blame. Two or three seasons have passed since the government flashed its pre-election provincial highway policy on the country. It was a fine scheme on paper, and simple minded people believed in it. But it is still on paper. That is, we assume it is. No one knows just what roads are to be designed provincial, district or local and lacking that information, the whole country waits, doing no more on municipal roads than is absolutely necessary meanwhile.

What Alberta wants is a known plan for provincial highway improvement, from which municipalities would be able to outline their own road improvement. There is wanted also a competent provincial highway inspector, road improvement, who would set a high standard of road construction certain to meet our climatic emergencies winter and summer and insisting that it be lived up to in every case. It is a subject that should engage the earnest attention of U. F. A. locals throughout the whole province.

The movement of the postmasters of Canada in asking the government for more pay, will have the sympathy of a large portion of the country. The pay of postmasters for the continuous, all-day, postoffice service they are bound to give to the public and the several hours' night work, which is necessitated in the sorting and bagging of mail after 7 p.m.—which is thrown in for good measure—is and has been so meagre that the great majority of postmasters have to be their own night men as well. Unfortunately, the post office department at Ottawa faces a big deficit, and the changes now under consideration by the Postmaster General are more in the line of an effort to keep the deficit down rather than to increase the pay to the service. However, certain changes might be in order regarding post-office hours, such as allowing a noon hour and the closing at 6 o'clock. As a public servant there is no man who gives such devoted service as a postmaster—he is practically compelled to do so. This reminds the editor of a postmaster in a large town in Ontario, who at the date we refer to, had been 17 years postmaster and had never had a Christmas dinner with his family.

LIVE STOCK  
POISONING.

The old saying that "one man's meat is another man's poison" appears to be true in different kinds of live stock. It is a fact that some plants which poison horses are not injurious to cattle or sheep, and some which cause loss among cattle and sheep are not eaten by the whole country waits, doing no more on municipal roads than is absolutely necessary meanwhile.

Doubtful Motorists  
Become Boosters

No wonder you're a little skeptical of the unusual tire value we are offering.

But don't let any preconceived ideas keep you from enjoying the cost reducing, worry ending advantages to be found in the Gates principle of tire construction. Here's what you gain:

1. Money saved—cost half as much
2. Oversize tire—increased 20 p.p.
3. Puncture-proof guarantee
4. More Mileage—from 5,000 to 15,000 miles.

Since over 600,000 car-owners—many of them cold blooded, calculating business men—are enthusiastic users of Gates Half-Sole Tires, don't you think it's about time you at least investigate the proposition? Drop in today for facts and figures.

**YOU'VE** heard of "Old Number One"—the first OilPull built—which came into prominence at the 1919 National Tractor Demonstration.

Since 1905—eleven years ago—it has not missed a season up in the Northwest breaking sod. It has averaged 700 acres plowing a year and over a month's threshing besides miscellaneous jobs.

Its record so far is:

- 1750 acres wild sod breaking
- 3000 acres stubble plowing
- 320 days threshing—over 750,000 bushels

To enable the public to see just how an OilPull looks and how it works after eleven years' service, the consent of the owner of "Old Number One" was secured to bring the old veteran to the National Tractor Demonstration. One day it was working on its owner's farm in South Dakota—the next day it was in the Northwest.

You supplied me with a mower,  
You supplied me with a rake;  
You supplied me with some seed and feed  
As well as a grub stake;  
You supplied me sir, with every thing  
To work the farm I'll need,  
So now it is right up to me to show you I'll succeed.

There is only one thing lacking  
To make the farm complete—  
The house is most untidy  
In fact it's never neat;  
And I am very thankful  
I'm truly very shy,  
I cannot overcome it  
No matter how I try:  
And a fellow hates to batch it  
Who'll be farming all his life.  
So please be one more generous  
And supply me with a wife.  
V. Chivers—Wilson,

**How To Arrive at Your Income Tax**

First, take your income,  
Add wife's income,  
Divide by your eldest son's age,  
Add your telephone number,  
Subtract your auto license number,  
Add electric light bill,  
Divide by number of kilowatts,  
Multiply by your father's age  
Add number of gold fillings in your teeth,  
Add your house number,  
Subtract wife's age (approximately),  
Divide by the number of aunts you have,  
Subtract the number of daughters,  
Add pinch of salt,  
And then go out and borrow the money and pay the darned old taxes.

**ONE THING LACKING**

The following communication to the Soldier Settlement Board District Superintendent at Edmonton, Alta., was written by a soldier settler who seems to have been supplied with everything, needful except a wife. Will some fair reader complete his happiness?

Dear Capt. Boyd:

I want to write and thank you,  
I'm sure 'twill do no harm,  
For the way you have supplied me  
With a good half section farm.

You supplied me with the lumber  
For my house and stable too,  
The lumber in the hen-house  
And the granary came from you.

You supplied me with a pig,  
And the pig that's in there now;  
You supplied me with four horses  
With the harness and the plow;

You supplied me with a binder;  
You supplied me with the twine  
To cut the crop supplied by you.  
That now is looking fine.

You supplied me with some chickens,  
You supplied me with a cow,  
So each morning for my breakfast  
I can have an omelette now.

## HAPPENINGS OF LOCAL INTEREST

The children of Mr and Mrs F. V. Dahlgren, Mr and Mrs Wm. Sharp and Mr and Mrs W. O. Blinn, seven in all, were baptised by the Rev. N. Priestley on Monday last.

After practising for the last four months, the scholars of Grace Methodist church will be giving the cantata "Father Time" in the theatre on Thursday, May 20th.

E.E. Connor, our late sheep man, after a short holiday in Saskatoon, was in town over the week end preparatory to leaving to take up residence in British Columbia.

J. L. Gerow, the Wainwright druggist has taken over the sheet music business of Small Bros. The entire stock of this music, ranging up to 60c is now offered at 10c per copy.

The cantata by the scholars of Grace Methodist church is sure worthy of attendance. A lot of work has been put into this and you won't be disappointed. Save the date, May 20th.

F. W. Aykroyd, who recently left town has accepted the principalship of the Seal Cove school at Prince Rupert.

On Saturday next, in the Beaudry store the ladies of St. Luke's catholic church will be holding a sale of home cooking.

Mr and Mrs O. Liddle, who have been living in Edmonton for some time, have now returned to town, and are in residence on Third avenue E.

Sunday last was sure an ideal day and a number of our townfolk were enjoying the pleasure of getting out in the "old bus."

P. M. Murray, of Morris, Alta., arrived in town on Tuesday to join the staff of the Merchants Bank.

Mrs Sutherland is announcing the removal of her millinery establishment to the stand formerly occupied by Mrs Wilcox on Second ave.

J. L. Gerow, the Wainwright druggist, has secured the agency for the "Brunswick" phonograph. The volume and sweetness of tone of this instrument should be interesting to all lovers of music. Call at the Red Cross Pharmacy and hear for yourself.

An interesting football match will be played on Friday evening next at 7:00 sharp at the fair grounds when the married men will try conclusions with the single fellows. The admissions will be "two-bits" a piece, and the proceeds will go to the I. O. E.
